## Identity Crisis in a Changing World

**Second International Workshop on  
Group Analysis with Children and  
Adolescents**

**19<sup>th</sup> - 21<sup>st</sup> September 2025  
in Frankfurt/Main**

In cooperation with:

### Conference venue:

University of Applied Sciences,  
Nibelungen Platz 1, D-60318 Frankfurt/M.

## Identity crisis in a changing world

An understanding for group analytical processes and the development of concepts for diverse settings have proven very effective when working with groups of children and adolescents, both within the therapeutic and pedagogic fields. In the past 20 years experiences in this work have been shared and evaluated at annual workshops in German-speaking Europe. It seems timely, therefore, to create a second international forum, which can profit from the insights of even more participants from different countries.
